Missionaries Mr. & Mrs. Willis Han (with 1 daughter)

Even though Willis & Jocelyn have handed over their Chinese language center ministry in Kyrgyzstan to another missionary organization, they remain making occasional visits and take short-term missionary teams there. Currently they focus on coworker development in Taiwan. They offer trainings on missionary care and teamwork with other organizations to build up more missionary coworkers. Please pray for Willis and his coworkers in Taiwan so they may wisely coordinate and promote "Kairos" and "Perspective" courses in mission.

Missionaries Mr. & Mrs. Sunho Bae (with 2 sons)

Being a Korean missionary, Sunho currently serves our Lord in college campus ministries in China – including personal evangelism, Bible study groups and English teaching. Their ministry includes sharing the Gospel, discipleship training, developing coworkers and ministering to churches. From 2015, they began to teach a "cross-culture communication" class in a local coworker development school. They also teach on marriage renewal at his church. They would like younger couples at church to know what a Christ-centered family is.
